الندوة العالمية للشباب الاسلامي

الرقم ٦٣٥٢
التاريخ ١٩/١١/١٤١٣

مكتب الأمين العام
Office of the Secretary General

٢ - جرى تعيين مدير تنفيذي مؤقت للجنة البر الإسلامية هو الدكتور حسن باحفظ الله وهو استاذ في جامعة الملك عبدالعزيز ومتعاون مع رابطة العالم الإسلامي ومعروف لدى هيئة الإغاثة وغيرها من المهتمين بالعمل الإسلامي بحرصه الشديد على العمل الخير وتفهمه وتقديره لدور المملكة في هذا المجال وكذلك حرصه على التنسيق والاهتمام بآراء المسؤولين في حكومتنا الرشيدة بحيث لا يتم إلا ما يخدم المصلحة العامة وتوجيهات المسؤولين.

ونتيجة لبعض متابعات الجهات الأمنية للشيخ عادل بترجي والظن أنه مازال له علاقة بلجنة البر، فما زالت اللجنة تتلقى بعض التساؤلات وكذلك بعض الزيارات من رجال الأمن. بل طلب من مديرها التنفيذي الحالي الدكتور حسن باحفظ الله التوقيع على عدم جمع التبرعات. وكما تعلمون فإن اللجنة لها التزامات في أفغانستان وبورما وعدد من المناطق التي تعتمد على الله سبحانه ثم على ما يأتي من مساهمات خيرية من بلد الخير.

لهذا كله أتقدم لسموكم الكريم مجدداً بما يأتي:

١ - السماح للندوة ومنها لجنة البر بجمع التبرعات من الأمكنة العامة والمساجد، أسوة بهيئة الإغاثة وغيرها من الجهات التي توصل مساهمات المملكة العربية السعودية حكومة وشعباً للمسلمين المحتاجين في أنحاء العالم..

٢ - الإيعاز للجهات الأمنية بعدم التعرض للندوة أو لجانها العاملة فيها ومنها لجنة البر والاتصال بالمسؤولين في الندوة عند وجود أي استفسار أو متابعة. ونحن في الندوة نحرص تماماً على الالتزام بما توجهون به - حفظكم الله - ولا نسعى إلا لخدمة ديننا وبلادنا أولاً ومساعدة اخواننا المسلمين ثانياً. وكل ذلك يتم بتوجيهاتكم والتنسيق معكم.

وفقكم الله لما يحبه ويرضاه ونفع بكم الإسلام والمسلمين.

والسلام عليكم ورحمة الله وبركاته.

Office of the Secretary General

No.: 6352.....

Date: 19/11/1413 (May 11, 1993)

His Royal Highness Prince: Salman bin Abdulaziz**Prince of Riyadh Region****Peace and mercy of Allah and his blessings may be upon you**

I have already submitted to Your Highness a report on the Benevolent Committee, the circumstances of its formation and part of its activities that took place during the past four years. This committee provided distinguished services during the Afghan Jihad in the medical, educational, relief and agricultural fields. It also contributed to alleviating the suffering of Muslims in other regions of the world, in Burma, Bosnia and Herzegovina and others. The committee is managed by a Board of Supervisors headed by the Secretary General of the assembly, and Executive Director, Sheikh Adel Batterjee.

There have been some developments in the committee that I would like you—May Allah protect you—to be aware of. The former Executive Director of the Committee, Sheikh Adel Batterjee, worked hard and carried out some activities in Sudan and Bosnia and Herzegovina that were not approved by the Board of Supervisors. He also carried out some activities related to fundraising at home, which was questioned by officials in Mecca as well as the Ministry of the Interior. The Assembly's Secretariat Council met and took the decision to review the committee's activity and determine the reasons that led to some administrative abuses. A meeting of the Board of Supervisors followed, in which a decision was taken to appoint a new executive director and to remove Sheikh Adel Batterjee from managing the committee, with a strong focus on the committee's activity to be carried out in coordination with officials in the Kingdom and without conducting any work that goes against the satisfaction of the officials, even if there is an urgent need for it, such as the activity in Sudan or in Bosnia and Herzegovina, except after coordination with the High Authority for Fundraising for Muslims of Bosnia and Herzegovina, which you preside over.

After several meetings, things developed and the current situation is as follows:

1 - Sheikh Adel Batterjee no longer has any administrative connection with the Benevolent Committee, but has also resigned from the Board of Supervisors. I recently learned that he has formed a commission that he calls the "International Benevolent Organization." It has offices in several countries abroad, and its logo is close to that of the Benevolent Committee. Its name also suggests this similarity. I wrote to him a letter in which I emphasized that the assembly is not responsible for this organization; and that the similarities in the two names should not be exploited to carry out any activity that the assembly might be considered liable for, as this organization has no legal presence inside the Kingdom (a copy of the letter is attached).

2 - A temporary executive director of the Islamic Benevolent Committee has been appointed, Dr. Hassan Bahafez Allah, a Professor at King Abdulaziz University and a collaborator with the Muslim World League. He is known to the Relief Authority and others interested in Islamic work for his keenness to do good and his understanding and appreciation for the role of the Kingdom in this field; as well as his keenness to coordinate and be guided by the opinions of officials in our rational government so that only what serves the public interest by the directives of the officials is done.

As a result of some follow-ups by the security authorities to Sheikh Adel Batterjee and the belief that he is still related to the Benevolent Committee, the committee is still receiving some questions, as well as some visits from security men. Rather, the current executive director, Dr. Hassan Bahafez Allah, was asked to sign non-fundraising obligation. As you know, the committee has obligations in Afghanistan, Burma and a number of regions that depend on Allah Almighty, then on the charitable contributions that come from the country of goodness.

For all this, I present to Your Highness once again the following:

1- Authorize the assembly, including the Benevolent Committee, to fundraise in public places and mosques, similar to the Relief Authority and other bodies that deliver the contributions of the Kingdom of Saudi Arabia, government and people, to Muslims in need around the world.

2 - Admonish the security authorities not to interfere with the assembly or its committees, including the Benevolent Committee, and to contact the officials at the assembly when there is any inquiry or follow-up. We, in the assembly, are fully keen to abide by what you direct—May Allah protect you—and we seek nothing but first to serve our religion and our country, and second to help our Muslim brothers. All of this is done under your guidance and in coordination with you.

May Allah guide you to what He loves and is pleased with and help you benefit Islam and Muslims.

Peace and mercy of Allah and his blessings be upon you.
